SESSION II WRITING

Choose and circle ONE of the following topics and write a paragraph of 150-200 words. Your writing will be evaluated on the basis of content, organization, and language use.

Organization	Content	Use of Language	Lexical Resource	SUM	GRADE

1. With the increasing popularity of computers and calculators, student literacy is decreasing dramatically. What are the positive and negative effects the progress of science and technology has brought about? Give reasons for your answer and include any relevant examples from your own experience or knowledge.
2. Learning a foreign language offers an insight into how people from other cultures think and see the world. The teaching of a foreign language should be compulsory at all primary schools.
To what extent do you agree or disagree with this view?
3. Some people say that advertising encourages us to buy things we really do not need. Others say that advertisements tell us about new products that may improve our lives. Which viewpoint do you agree with?
Use specific reasons and examples to support your answer
